# About ADH Wood Industries

---

Wood Industries is a **specialized division of Amman Decoration House (ADH)**, established **in 1975**, focusing on wooden works, wooden doors, and interior wood decorations.

Our company provides professional services in the **manufacturing and installation of high-quality wooden products for residential, commercial, and hospitality projects**. Our scope of work includes wooden doors, acoustic wooden doors, wall cladding, wooden ceilings, counters, cabinets, kitchen cabinets, toilet cabinets, wall units, beds, tables, chairs, benches, sofas, decorative features, and other **customized wood solutions designed according to project specifications and client requirements**. We also specialize in custom-made joinery and various interior wood finishing works, all executed in accordance with approved drawings and project specifications.

At Amman Decoration House, we are **committed to delivering high standards of craftsmanship, using quality materials**, and ensuring accurate and timely project execution. Our experienced team works closely with contractors, consultants, and designers to achieve the best results for every project.

# Our Vision

---

To reinforce our position as a leading and trusted name in the field of woodwork and interior decoration, **by delivering integrated solutions that combine high quality, precision in execution, and innovation in design.**

We strive to strengthen our presence in the market by consistently delivering work that reflects the highest standards of craftsmanship and professionalism, with full commitment to project details and requirements. **We are also dedicated to building long-term relationships with our clients and partners,** based on trust, credibility, and outstanding results.

**We believe that excellence is not an option but a standard in every project we undertake.** Therefore, we continuously develop our capabilities and utilize the finest materials and latest techniques to maintain our reputation as a reliable provider of refined and sustainable woodwork solutions.
